October 12, 2011

Dear Property Owner:

The Town of Bashaw is continuing to offer garbage pick-up and curbside recycling services to the community of Pelican Point in 2012. It is now time to renew your service fee application form and acquire a new sticker.

There are two types of services being offered to the residents of Pelican Point, annual and seasonal. Fees have increased over 2011 as contractor fees have increased.

Annual service will begin January 1st, 2012 at a cost of \$176.40 (\$168.00 + \$8.40 GST) to be paid by December 15, 2011. Seasonal service will commence May 1, 2012 and extend until the end of October 2012 only. The cost for this service is \$88.20 (\$84.00 + \$4.20 GST) payable by April 15, 2012.

Any services requested prior to May 1st or beyond October 31st for seasonal applications would require the annual application form with applicable rates.

Your garbage receptacles should have a volume capacity of no more than 100 litres (17 gal) with rigid handles and a smooth rim. It must have solid sides, be watertight and made of corrosion resistant material. A receptacle shall not be filled to a greater height than within 50 mm (2 inches) of the top or with garbage of such weight that the combined weight of the receptacle and its contents exceed 23 kg (50 lbs). Bags in the receptacle must be securely tied at the top. On garbage collection day these receptacles will need to be placed on the road beside your driveway. There will be a two can maximum at each place of residence.

The Town of Bashaw is looking forward to providing this essential service to you. Should you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Rosemary Wittevrongel, CLGM
Chief Administrative Officer
